

SAY North

Required actions to remain in good standing to play in SAY North Leagues

February 10, 2017 Updated July 11, 2017

On time with all scheduling deadlines.

Special requests for scheduling requests are kept to a minimum and are not granted for individual coaches. We do not schedule around coach's schedules.

Provide player fee payments no later than 2 weeks after start of league play.

Complete coach information with schedule information.

Turn in of rosters with jersey numbers in one page SAY National type format 3 weeks after season start.

Provide adequate fields to schedule and referees for all home games.

Provide proper gate keeper functions for reschedules. If a minimum number are available to play the game is played. Other athletic events are not grounds for a reschedule.

District Rep to District Rep to handle reschedules quickly.

Ensure a robust Red card report and filing system is used through the district or area.

Timely reporting to SAY North of any Red card including a written ref report.

All volunteers must be background checked. Any flags to be discussed with SAY North.

Concussion training certificate for coaches and refs must be current.

No select teams are allowed to play in SAY North Leagues.

No GCPSL teams are allowed to play in SAY North Leagues.

No guest players for any reason at any time.

SAY North is a recreational league organization and requires that teams only play games or participate in any way with only recreational teams. Your teams may not play in our leagues and play in any manner with teams from other non SAY North leagues including "scrimmages, practices, tournaments, etc." SAY North is not to be used as a platform to provide extra games for your select/premier team. Violating this policy will severely jeopardize the future eligibility of future teams from your area/district to play in SAY North.

Legal team formations as found on the SAY National web site pages 154-158 must be followed. Please refer to these pages to conduct your draw. Cores are Spring and Spring and or Fall and Fall. Areas must ensure they have enough players to fill out the teams they have committed.

Do not commit teams that do not have all of the players registered. A drop fee of \$200 will be assessed.

The above is not an all-inclusive list and maybe modified by the SAY North Board.
